Shaojie Hu

College of Civil Engineering
Hunan University
Lushan Road (S), Yuelu District
Changsha, Hunan Province 410082

sjhu@hnu.edu.cn
sjhu7.github.io

Research Interest

Unsaturated soils, Poromechanics, Adsorption, Freezing in porous media.

Education

Ph.D., Geotechnical Engineering Sep. 2020 – Present
Hunan University, Changsha, China
Supervisor: Prof. Chao Zhang

B.S., Civil Engineering Sep. 2016 – Jun. 2020
Hunan University, Changsha, China

Publications

Journal Articles (* Corresponding author; † Co-first author)

Presentations

InterPore2023, Edinburgh, Scotland, Online May 2023
Poster: A Poroelasticity Theory for Soil Incorporating Adsorption and Capillarity

The 9th Young Experts Forum on Geotechnical Engineering, Changsha, China Jun. 2021
Oral: Unified Elastic Modulus Function for Variably Saturated Soils
